Dimensions in mm

Screw Caps

- Available from stock in white & black polypropylene.
- Colours available to order.
- Two types of seal arrangements are available:

1. **Skirtseal** caps, which seal on the bore of the bottle and should not be used in conjunction with a neck plug.
2. ***Plugseal** caps, which must only be used with a neck plug. (See page 25).

Technical

Manufactured from recyclable plastics.
